Notes: CHS Competitor - Header. Rocky is built to last with substantial bone and outstanding conformation. He is 15.1 hands tall and weighs a solid 1300 lbs. If a horse was ever made to head steers, this big soggy gelding fits the bill. Rocky is lots of fun to head and heel on - he's incredibly quiet in the box, really runs to a steer, has plenty of rate and a big stop. He's always kind and sensible. The whole family will enjoy riding this quiet well-broke gelding. Rocky is a pleasure to ride outside the arena as well. He's ready for whatever the day brings. He's exceptionally well broke; soft in the face, moves easily off your leg, side passes, spins - he's got all the buttons. Sound and sane, it's really tough to find geldings like him that check all the boxes. Rocky has been used as a ranch horse extensively and knows how to take care of his rider in rough terrain on a long day. There's no silliness or buck to Rocky. He'll be the same easy-going gentleman if you let him sit a while or if you ride him daily. Contact Estevan at (505)450-5519 with questions or to come ride him before the sale. Located in Belen, NM.

Notes: CHS Competitor - Heeler. Bandito is quite possibly the cutest bay gelding you have laid your eyes on. Standing at a stout 14.3 hands, he has a good wither, big hip and forearms, and a baby doll head. He's a finished and seasoned Head, Heel, Ranch, Ranch Versatility, Cow Horse and Trail gelding. He works a great reining pattern including spins, lead changes, lopes in your hand and at your pace, and gets in the ground when he stops. Very cowy whether you are on the ranch or in the arena, he will make you smile. Hauled and won on by many of levels of ropers. He has the size to sneak out on the world series starts or will stand quietly and let you see tail to the pen. On the heeling, he has a lot of foot speed, rate, and timing, easy to see feet and dally with his stop. Bandito has a great stride and makes roping fun! Sound! We welcome you to come and ride him. THREE BAR PEP

Notes: Jolene is a gentle mare that stands 15.1 hands tall. She is an easy-going, beautiful paint that rides well outside for any rider, whether it is a trail ride or the arena. This mare is started on the head side, rides with her head low and is a smooth traveler. She stalls very well next to any horse, she doesn't act like a typical mare around other horses. Jolene recently had her teeth done and is up to date on all vaccinations.

Notes: Rey is a one-of-a-kind using horse. He has been on several ranch rodeo teams and was on the winning team in 2018 in Amarillo for \$50,000. He's also been hauled and won on as a head horse. He's sensible in the box no matter how many you run on him and he pulls great from the horn. And when he's not being hauled as a head horse I've used him on the ranch. Rey's pulled 1000's of head of calves to the fire and you can step off and doctor one with no problem. He's quiet and gentle for the whole family to ride and he'll be the first one you grab when you need a job done or want to go win a check. Absolutely sound and sane for any level rider. He's not one that's been traded around either. He's been my go-to horse for the past 4 years. Will stand 15.1-15.2 hands and weigh 1250lbs. Here's one in the prime of his life and ready to go use.

Notes: Talk about chrome! With a bald face and two stocking legs, this gelding is sure to be noticed. He's a nice prospect with breeding, color, and a great disposition. Notes: Here's a very fancy roan gelding! He's prime aged and ready to take to the arena. Boy Scout is a been-there-done-that ranch horse. He's had wild cattle caught off of him, drug calves at branding time, and gentle 365 days a year. He's super attractive and athletic to boot. He stands 15 hands weighs a full 1250 lbs. There's absolutely no vices or nonsense with him. He will jump in the trailer and back himself off at the next pasture. For more information call 806-654-5490.
