Notes: CHS Ranch Horse Competitor. What an opportunity to own a gelding that really has been there and done that. Gus started his career as a cutter. He was then put to work on the ranch doing everything from sorting to dragging calves and doctoring outside cattle. He works a rope so well. It was easy to back him in the box and turn him into an outstanding heel horse. Gus has been hauled to many ropings and won money on both the head and heel side. He will stand flat footed in the box and stay sensible no matter how many you rope and how many times you switch ends. Gus pulls great from the horn and will try his very best every day. He has spent his fair share of time in the feed lots and sale barns penning and moving cattle too. Here's one with the best mind and heart that's super easy to have around. He stands 14.2 hands tall and weighs 1175 lbs.

Notes: CHS Ranch Horse Competitor. Jet Black FANCY, CLASSY, GENTLEMAN are how we describe Brogan! He ranks in the 1st chapter in our book. This jet black 15 hand flawless gelding makes heads turn. He's loaded with personality and one who will make you laugh at him. He plays with stall balls, feed bags and any other toys you have for him. He gets along with other horses and appreciates being turned out. Brogan rides just as sweet as he looks with a great neck rein, side pass and lead changes, and will lope pretty in the palm of your hand no matter your speed. With a reined cow-horse foundation, he is very broke: spins, slides and is a great stopper. He loves cattle - consistent with one in from of him and fun to take cattle down the fence on. He is a neat trail gelding and will cross the obstacles, lead the string or fall to the rear and walk. Also had some miles on the ranch, and really enjoys a day's work. A top end head and heel gelding, he loves this job and is excellent. Brogan is just as handsome on the inside as he is out. Kind and good minded. Paje just loves his demeanor - he is always looking for attention and affection. We are happy to offer a fancy gelding of this caliber to you. UTD on worming, dental and farrier. The sky is the limit for this hard-to-replace gelding. Enjoy him! For more info and videos 406-381-2347 www.TurnerPerformanceHorses.com Come cheer for Brogan in the ranch horse competition!

This guy is total chrome. Tommy has been ridden all over the Arizona desert, over mountain tops and through rivers. He will go anywhere you point him. Tommy has been a one owner horse until I purchased him for my personal trail horse and he fit the bill. But he is just too big for me. He meets you at the gate and is very much a pocket horse. He loads and trailers easily and is a very easy ride.
